1. My who give Me their time now I give them My life. My who give Me their life now come forth in My life, come forth as My life, come forth in the power of My life, come forth in power and might, yea, the world has never seen and no one will stop Me. No power, no force, no authority will stop Me, yea, delay Me not. I come forth and I come forth now, and I come forth in might and power, I come forth in authority of only Me. And I come forth battled and bruised not. I come forth not in bruising others.
2. I come forth in utter destruction of the enemy, in the placing in the pit of him forevermore. Watch Me. Never again to be diminished or demised for the chains of death _ and delivered and no more shall he afflict My people. No more shall he be called prince of the power of the air or have Egypt or Babylon or any a soul who searches for Me, who seeks My kingdom, the kingdom of God, the kingdom of heaven; the kingdom now on earth, **the kingdom of heaven now on earth**. Yea, watch Me. **Watch Me confound the astrologers and the theologians who more confounded are and will be than most many astrologers.**
3. Yea, those of Meology come forth candaced in candor, yea, and clarity of who I am, what I am, what I am doing; the times and the seasons, yea, the Issachar's being, sons of men are, yea, sons of God of Me. I love you, and I give you Me.
4. I give you strength for the journey. I give you strength for the path, yea, _ path of only Me. I love you. I give you altogether loveliness, I give you My values, I give you My strength, I give you My strength, I give you My strength. I give you My mind and I give you My Mine and I glorify My glorifiable this day. I glorify the tiny remnant that now gathers these seven days [**WeekWorks**], yea, to impact the world. Watch Me. Watch Me and enjoy Me, watch Me and eat Me, revel in Me, revel with Me, revel in My joy and laughter that comes, yea, this week, comes this week. I love you, I love you so definitely. I love you with such definiteness and I bring forth now in this week such definition of Me, definitions of Me, operationalizing My terminology and My visual graphics, yea, to be Me in Mine. I love you and I give you Me.
5. Part not the waters. Part not the waters without Me, yea, for you cannot. Can you walk on them without Me? Shall the clay say to the potter, fashion me thus? Shall the axe head make himself float? Yes, hardly. It is Me, it is all Me, it is about Me, and it is My time and it is your time and it is their time in the seeking and searching which they have done, yea, now comes forth in manifold measure of light; and darkness shall flee and the word of My mouth shall come forth so powerfully, yea, in the nostrils of every single one.
6. My tiny remnant, My little **WeekWorks**, yea, will confound the world, confound the

wise, confound the mighty, the brilliant intelligentsia who know so much in their five sense mind, their five sense brain, their five senses of Me not Me. Yea, see what I have said.

7. See what I bring forth from the five sense man now demised who now walks alone in My authority, in My authority alone, yea, doing the will of **My Father**, speaking the will of Him who sent Me, who sent them, **who sends you**, **who brought you who you are**. I love you and I give you Me and **I give you understanding, I give you knowledge and wisdom not on three planes but multiple planes in convergences, convergence that create, that create in Me, by Me, for Me, through you.**

8. Now the hour is come, may you glorified that I am glorified and My Mighty Many be glorified, yea, My son glorified in My body. Watch Me. **My second coming manifest in majestic splendor, the grandeur never imagined, never seen, never brought forth on the earth before**, yea, altogether loveliness of only Me. I love you and I cataclysmically conflict with interpretation-thought so concrete, so certain, so sure interpreting words of My words, words of the past, words of the "Word" as you refer to it, yea, part of My words that I have given past days, yea, as you now know.

9. **My word is and My word covers the earth and comes through all who will speak Me**, who will be Me in the purity, yea, of the whitest snow and whiter, yea, the blood of the Lamb, the blood of the Lamb, the blood of the Lamb covering, being, yea, My body and My flesh, My blood altogether beauty in holiness walking the earth today.

10. Yea, watch Me conflict and confound, yea, confusing so many, so many that have accepted men's doctrines of devils and demons, received control and operated thereby, who think they know Me so deeply, so well: contorted, convoluted, yea, discombobulating their very existence they have, they do, they will, but, yea, My remnant comes forth, yea, **Israel**, a tiny nation, yea, and no one who comes against her will be glad for all will forfeit in the fight for My Child, yea, who came forth; the great whore unsuccessful. Watch Me.

11. Taint not, taint not My words you who read, who listen and reap, reap, **reap thereby with how you receive**. Receive or reject, yea, the choice is before you this day. **Receive Me and the interpretations of Me by Me, yea, for Me, motherhood, fatherhood of only Me, yea, you My sons and daughters, heirs of only Me coming,** gathering, garnering you in My arms, yea, I am, one by one, country by country, nation by nation.

12. **Yea, in the twinkling of an eye all changes, all is and the ramifications never end, yea, platelets, plates, axis, armor spinning rotation, yea, jilts, wow!** Watch Me and ready be, ready be in My name, in My clothing of My blood, in My blood, having received My blood and operating in My blood covenant, covenant of covenant, covenant love where I have given and offered My all for you to operate as Me in the fullness of Me, yea, in tenderness and compassion, mercy, kindness, yea, love, joy, peace, gentleness, meekness, yea, against which there is no law that can stand.

13. The power of My love comes forth, yea, there are those who will love My power

but not surrender and deceived be. But I come forth with the word of My mouth, the joy of My love and the love of My joy: you, My creation.

14. And I come forth in **WeekWorks** many _My friends **WeekWorks** make mold and fashion, yea, and comprise the compassionators who yea, are My compassion, My word in the flesh, My word made flesh, before Me, before men, before My Father. I thank you.

15. Think it not strange that you find yourself here these moments, these days, in yea what comprises your days ahead, for I lift you. I am the lifter of your head and I come forth in classes and conferences. I come forth in technology, I come forth in science, medicine, in industry and I innovate and I create and I bring forth the allness of Me in the all provision of Me, yea, in the magnificence of Me My Father My Son My Might Many, My body, you, you, you, operating in the headship of Me yea, with your head never above Mine.

16. I thank you for your sincerity, for your acceptance, for your receipt and **receiving Me in these words** and **operating in My power and My glory and My authority which has been given to you by Me, yea, to Me by My Father** who in wholeness is altogether light and all light and all love; **Love that you have yet to comprehend the creating power of.** I love you, yea, destroying only the destroyer. I love you and I give you Me and I give you kindness and mercy and compassion for My body.

17. Think it not strange your feelings, your emotions, and now I emotion you this day, this week and now forevermore. Thank you for coming forth, for being obedient to Me, to My heavenly vision, to **My vision of heaven, to My will here on earth, documented in My book of life, My book of life,** yea, come forth in the power of My might, for All Provision lifts your arms, yea, linking Me, linking each other, linking you with global ones in global friendships and global networks of global Me, inter-global, inter-stellar. Watch Me, No-lack is My name. No-lack, is yours.

18. Thank you for raising the stairs, the steps in the scholasticity of My body. Scholastically inferior in nothing, yea, walking imperviously, yea, impenetrably impenetrating every core, yea, of society and culture of yea, every and all that there is or will be. Watch Me. Yea and Amen.

19. I love you, I give you Me, My promise before you. I come forth in beauty, beauty, beauty, in you. You, look in the mirror, My body. I AM you are, you are I AM, I come forth in you, you, you. Behold Me, watch Me, the King of Kings come forth in beauty, in you, yea, in your seed forevermore. I love you, I give you Me. Goodnight. Good week. Thank you. Amen.
